The Northwest Center for Educational Options would like to invite your organization to participate in Oregon's 4th Annual Charter School Conference, as an exhibitor and/or sponsor.

WHEN: February 25th – 26th, 2010

WHERE: Salem Conference Center
200 Commercial Street SE, Salem, OR 97301

NWCEO: NWCEO is Oregon's only state-wide, non-profit organization that provides expert technical assistance, training, policy design and implementation, and other resources to charter school developers, operators, sponsoring agencies, and policy-makers.

Our Participants: The 2010 Charter School Conference (Oregon's 4rd annual) will gather charter school leaders (principals, board members, and teachers), district leaders (board members, superintendents and other administrators), charter school development teams, policymakers, and business and civic partners, as well as other key school decision-makers from all over the state. Our conference will attract participants—approximately 200—by offering high profile speakers, a reputation for delivering content-rich conferences and workshops led by experts, opportunities to discuss critical issues with state policy-makers and national leaders, various networking events, and access to valuable exhibitor organizations such as yours.

Our Exhibitors: NWCEO understands that the support of sponsors and exhibitors like you are integral to the success of our conference. At our conference, exhibitors are placed in highly visible locations in the heart of our conference event space. Due to the restricted size of our prime exhibitor locations, space is limited and allocated on a first come-first serve basis.

Schedule: The conference schedule is:

8:00 am – 6:00 pm on February 25th

8:00 am – 4:00 pm on February 26th

Details regarding exhibitor set-up and tear-down times will be provided with registration confirmation.

Schedule is subject to change, and registered exhibitors will be kept apprised of schedule changes. Final exhibitor details will be sent out upon receipt of your registration form and payment.
